Lake Fest 2020

Everyone is asking what our plans are for Lake Fest. As of now our plans are to move forward as scheduled unless we're not permitted by orders of the Governor. Yes, there will be some changes due to Corona and not being able to meet so we can plan accordingly, but for the most part it will go as scheduled.

We have also decided not to ask local businesses for donations this year. We feel that most of our donors have had to unexpectedly close or change their business operations due to Corona and it's not right to ask for donations. However, if anyone wants to donate towards our event they can and will still get a banner with their name(s) on it.

Our theme this year is Christmas in July. We will have our family night the evening before including a tree lighting ceremony and a movie on the beach. We will open up Saturday morning with the flag ceremony and end with a live band. We definitely hope that we're able to celebrate Lake Fest. We all need something to look forward to and a way to make us feel normal again.
